Girlie Mag Girl!

I know you probably won't believe this, but the first time I did full sex was because of this mag!

See, at first I thought my boyfriend, Joey, was a total perv because he had all these girlie magazines. But when he showed me some of the pictures, well, it made me kind of wet and tingly down there. I mean, there were girls spreading open their pussies and a guy actually doing a chick for real, it was hot!

I think Joey could tell—that's probably why he showed me!—because he started making out with me, and he was really into it. You know, sticking his tongue down my throat and rubbing on my cunny through my jeans. Then he started talking dirty, which totally blew my mind.

"I bet your pussy's even prettier than the ones in the magazine," he said, and he stuck his hand down my panties! I'd never let him get to third base before but thinking about what he said, well, I let him pull down my pants to see.

"Man, yours is way cooler than theirs!" he said when he saw my little pussy, which made me feel totally good. Then he put his fingers down there and started rubbing, which

12511

made me feel even better. And when he stuck his finger up my soaking wet cunny, well I kind of went crazy.

I guess I was pretending to be one of the girls in Just18, all slutty and stuff because pretty soon I was squirming like crazy and, this is so bad, I wanted him to pop my cherry!

So basically, I just took out his thing and I told him to stick it in. Yeah, I was totally scared, but when I thought of how the girls in the magazine looked, all horny and everything, that made me totally ready.

But holy shit, when he put it in I kind of freaked! I mean, his thing was huge; he just managed to get the very tip into my pussy! No way was it going to fit! Pretty soon, though, he started to slide it inside of me, just a little at a time. And by the time he got it all the way in, it felt awesome. My pussy was all tingly and when he started pushing in and out I got all shivery and stuff and I swear I came a little.

And he started dirty talking again, telling what a good lay I was and how tight my cunny was. That made me feel so grown up that I squeezed real hard around his thing and that's when he started grunting and shoving real hard. I knew he was gonna pop inside of me but since I wasn't cherry anymore I totally didn't care. I just let him spooge me up till it was dribbling out of my pussy.

Now we look at girlie mags together all the time and you know what? We almost always do sex afterward, so I guess we're both pervs!

Best Friend's Bro'!

I've had a crush on my best friend's older brother, Nate, for like, ever, but I never knew he liked me back until last week when he totally came on to me!

Lily had fallen asleep while we were watching this dumb ass movie and I was sitting next to Nate on the couch. I was feeling stupid, like, what was I supposed to say? I mean, I always sound like a dweeb when I talk to him, so I just kept my mouth shut and watched at the TV.

But all of a sudden he looked at me and winked and before I knew it he was kissing me! It was just like I'd always imagined, only way better because he kissed like a grownup, not some dorky boy. And then he made me feel like a grownup because he took my hand and put it on his crotch. Oh, man, was he hard! He got a boner just from kissing me!

So even though I'd never touched a guy's cock before, I figured what the hell, I'd give him a blowjob. I totally didn't know how but I'd heard all about it from Lily, who's sucked off about a bazillion guys. So I made sure she was still sleeping and then I just grabbed hold and put my mouth on the head of his dick.

I started licking on it and kind of sucking, cause Lily said guys like that, and it was amazing, Nate's cock was so smooth and soft I couldn't believe it! Only hard, too, if you know what I mean. And it smelled all sexy and manly and stuff. So I wet my lips and put more of it in my mouth while I squeezed on the shaft.

Then he pushed some more of his dick in my mouth and I had to open even wider. I kind of jacked on the base of his cock at the same time, and he totally loved it. He started shoving about half of it in and out like he was fucking my mouth, and I could hardly fit it in but it was wicked cool.

So I just let him do me like that until all the sudden I felt his dick get even bigger in my mouth. Whoa! That's when he started going really fast and before I knew it he was shooting all the way down my throat! It was totally weird, and it made me gag a little but I swallowed every last drop, I was so proud!

I sat up and we were both grinning like crazy but then we heard wiggling and Lily woke up. Man, we so almost got busted!

Now I'm wondering if I should tell her, but I think she'd be totally pissed. And since I still want to be her friend so I can do more sex stuff with Nate well, I'm thinking I better just keep my big mouth shut. Except for when I'm sucking him off, I mean!

Zoe knows what she wants, and it's not your garden variety sex—no way! This girl needs it down and dirty!

A photograph showing a person's legs and hands. The person is wearing white underwear. One hand is holding a small, purple, cylindrical object. The background is a light-colored, textured surface.

I am totally ready to feel a real dick up my butt! I know, what a slut! But see, I've already done regular sex and even though it was way cool, it's like I want even more. I guess it's the whole bad girl thing, like I think about maybe getting caught skipping school by my way-strict boyfriend and I know he'd be really pissed. So, he'd call me a naughty little bitch and make me get on my hands and knees. Then, ooh, maybe he'd lick my ass once or twice before he stuck his dick up my butthole! And I'd feel all guilty, but wicked horny, too. Ooh, it makes my pussy drool just thinking about it!

Marcel
looks all innocent,
but she knows a
thing or two about
sex; and she's
learning more and
more every
single day!

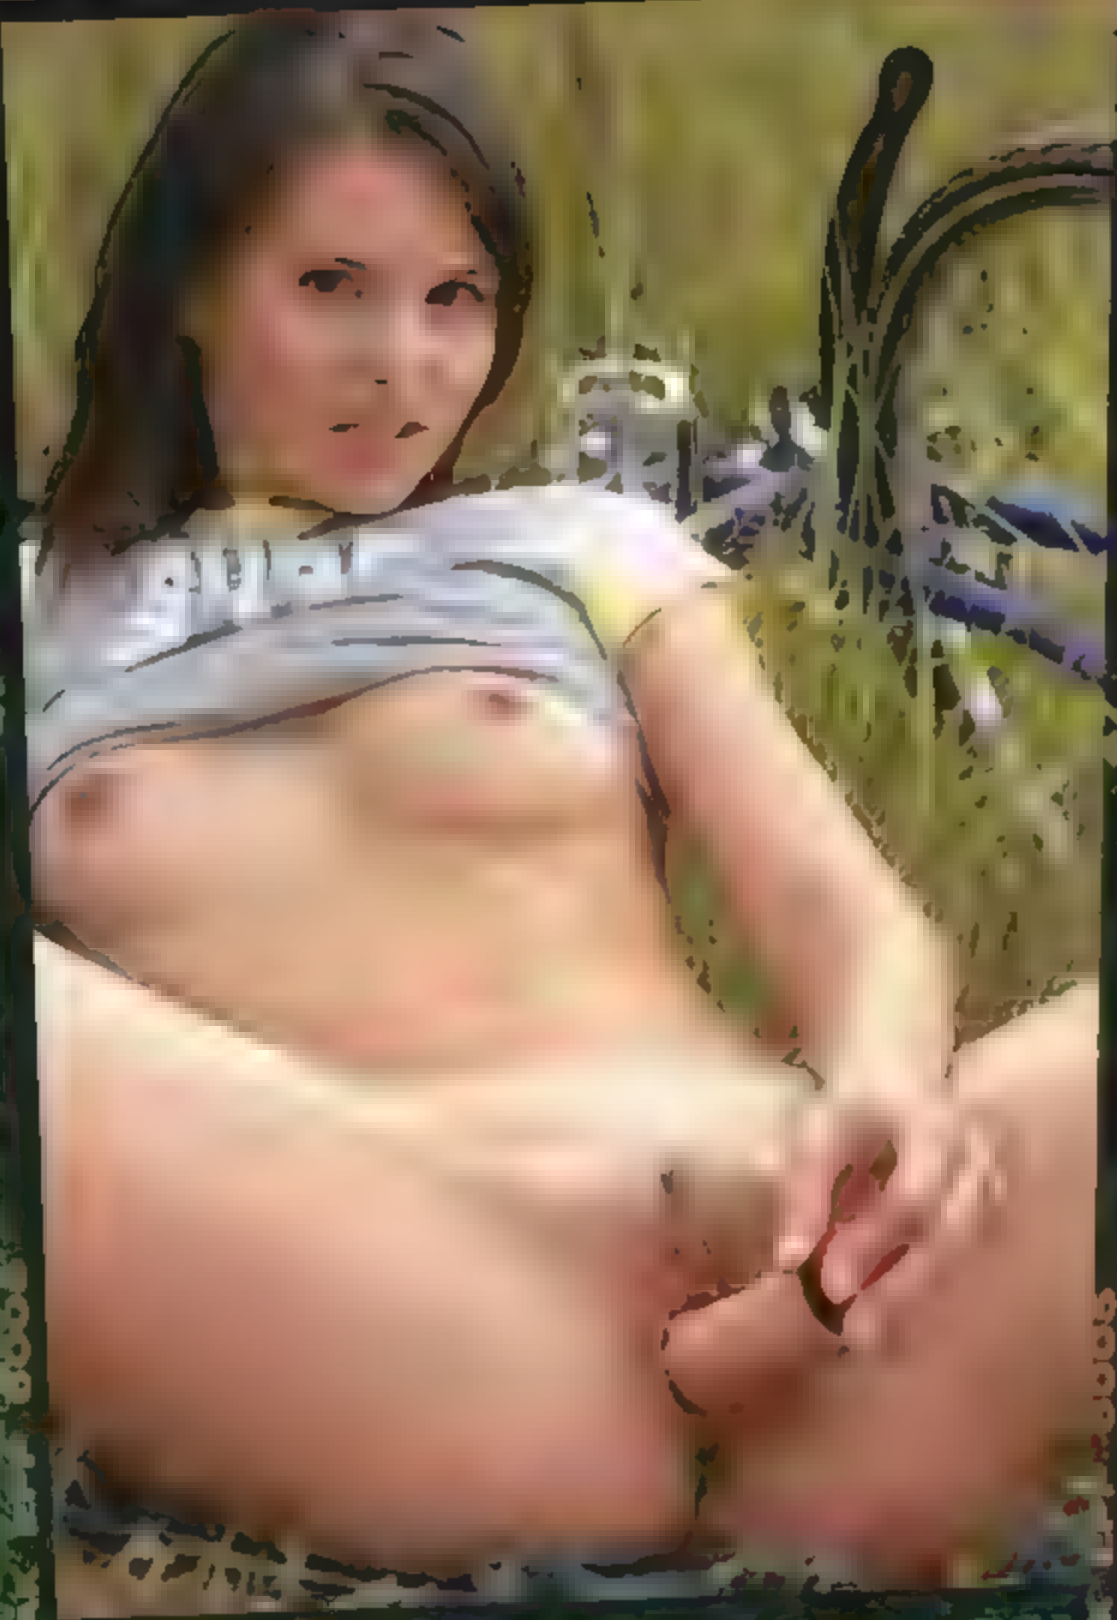

My friends give me a hard time. they say I'm just a goody-goody girl and I'll never get laid. They think I don't know anything about sex stuff. But I do! I mean, please, I know enough to get myself off, duh! Plus lately after school I've been looking at my brother's porn collection and I've learned so much. Like, I never knew that guys liked to lick a girl down there or that you could fit a big, huge penis up a little, tiny pussy! Heck, mine's so tight I can barely get my fingers in there. But now that I know so much about sex, I'm thinking maybe I should do it: that'd show my stupid-head friends!

Yeah, your
friends are morons!
I think you better
get that tight, little
cherry of yours
popped, and soon!

BY LAURA B.

ROCK SHOW

I had wanted to see them forever. My favorite band, with such a bad reputation that my parents had banned me from seeing them the last time they'd come to town but now I'm 18 there was nothing they could do except stay home and pray for my soul. I was right up front, pressed against the metal barrier, pressure from all sides and turned on beyond belief when I got to lay my hand on the singer's sweaty ass.

I thought I was experiencing my first orgasm then and there. My emotions were on overdrive and all my pent up virginal frustration was about to burst from within me. No wonder I was such a bad girl that night!

When I was right there in the front row a hand snaked around my waist and stroked at my stomach. I turned around and this hot guy with long dark hair nodded with a sly smile. I nodded back and turned to face the stage. He was pressed against me and I could feel him stiff against my ass. His hand moved up inside my shirt and ran over the last of my bra, I gasped, not that he would have heard me, and looked around to see if anyone was looking but nobody cared what was going on with me, all eyes were on the stage.

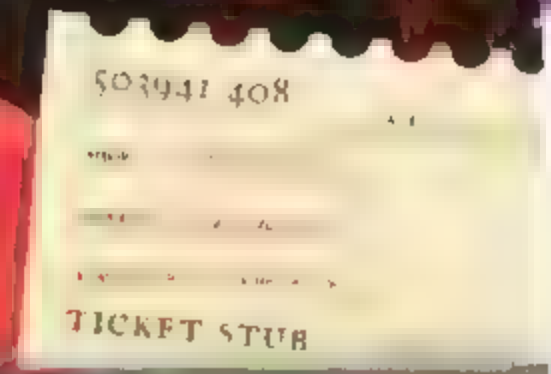

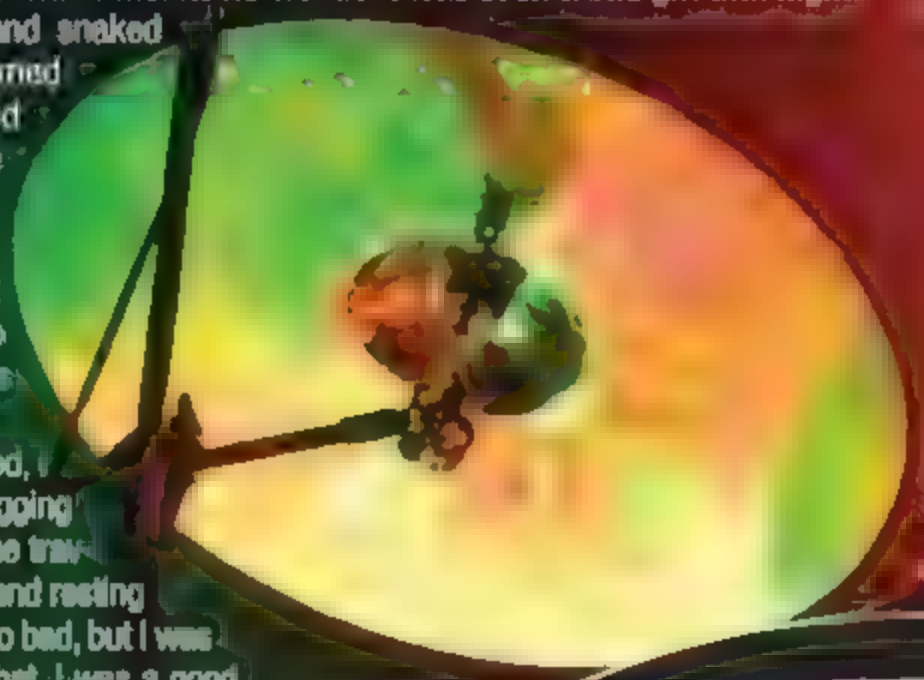

The sexy stranger grabbed my nipple and it stiffened, I ground back against him and felt his hardness digging against my ass. Another hand was on my waist, this one travelling south, slipping down inside my denim hot pants and teasing on my underwear. I wanted him to touch me so bad, but I was so nervous, nobody had ever touched me there, like that. I was a good girl that could feel herself going bad real fast.

I leaned back into his hard body and he was at my neck like some vampire, nibbling and sucking at my tender flesh. I wanted him to do everything to me. The hand in my shorts pressed hard against my mound, I could feel everything puffing up down there, getting damp, a first little droplet forming inside of me. I wanted to scream out I was so turned on.

"Not here," he said, taking his hands off of me. I turned around, so worried he was going to leave me alone when I needed so much more. He smiled and took my hand in his, then shoved his way back through the crowd and leading us into the men's washrooms. We were alone, he took us into a stall and locked the door. "Hi," he said. "I'm Jon." I smiled and said hi back, told him my name.

He kissed me, full and deep, hands back on me, this time pulling my shorts and panties off, tearing at my shirt and yanking off my bra so I was naked except for my knee-high black leather boots. My little titties were flushed, nipples hard cherry-stones and Jon told me how beautiful they were. He put his head to my chest, breathing me in then licking all over my breasts before zoning in on my nipples, sucking them so hard I felt like I was going to explode from sheer joy, but then things got even better.

Jon kissed his way over my taut stomach and down over my mound, sinking to his knees before me. I was powerless, didn't know what to do so

I knotted my fingers in his hair and just went with what he was doing naturally. Jon put his hands between my thighs and pulled them apart. I tilted my hips and felt like I was gonna feel his lips connected with my pussy.

I cursed loud as he licked deep in my folds, his slick tongue dancing over my swollen clit and down, down, down to my virgin hole. Currents ran up my spine, every hair on my body stood erect, my mind was racing. I knew a good girl would make this stop before it went to far but I was past the point of control, I wanted to play this out as far as it could go. I wanted to give myself to this stranger who was making me feel so whole, so connected to my burning sex.

His hands opened my thighs further apart, pulling me down onto him so I was squatting on his face. His tongue was so far up inside and I could feel myself gushing juice all over his face. I came for the first time like that, in a dirty toilet stall in the men's room, the base still thumping through me.

Jon stood up, face glistening. He pulled his shirt off and I stroked his muscled chest, a tattooed tiger prowled across it, I was lost to this guy. He put my hands on the crotch of his jeans and I unbuttoned his fly, half scared at how big his dick felt through his pants. I pulled his pants down and it sprang free, bigger than I could have thought possible. "You want to put that inside me?" I said in disbelief.

"Only if you want it baby," he laughed. "Maybe you could suck for a while first."

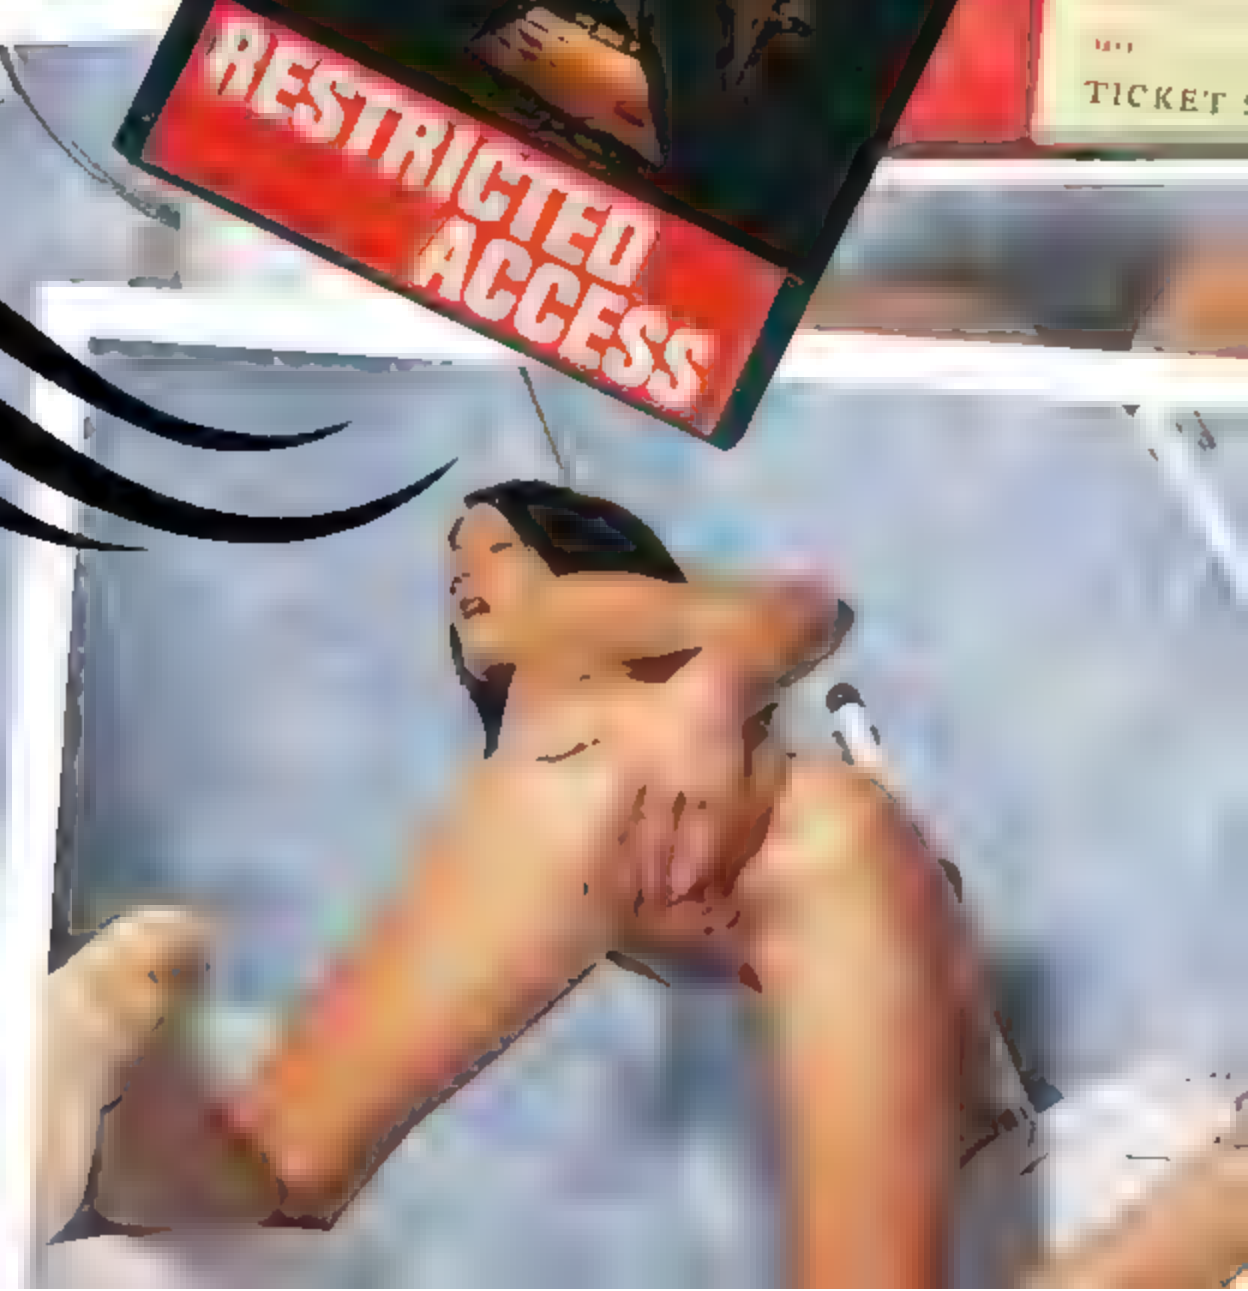

I didn't know how, I just kinda stood there for a second then thought I'd better confess. "Look, I never even saw a naked dick before today, I don't know how." I wished I did know, that I wasn't such a loser! He didn't care, he kissed me and told me I was the sweetest thing, that he'd teach me and I didn't need to worry.

Jon told me to put his dick in his mouth and twist my tongue all over it like a French-kiss, and to suck on it all the while. I did that, sucking as hard as I could on the massive plum once I managed to get it in my mouth. I Frenched it good, sucking the salty tears out of his slit as they formed. Jon was moaning, telling me what a great job I was doing and gently rocking his hips so more of his length was being forced into my mouth.

I could hardly keep it in my mouth, it was huge, the more I sucked the bigger it seemed to get. Jon was getting louder, he told me I was bringing him closer and my pussy just gushed at the thought of how much I was pleasing him. He pulled his tool from my lips and stepped back, looking me up and down.

"Now I don't know what to do with this," he said. "I want to spray cum all over your pretty little tits, but I want to pop your cherry. What do you want?"

I breathed in deep, here was the million dollar question, did I want to give it up here, like this? Yes, I did, I wanted him so bad and it felt so right. My pussy was

Senior Scrapbook

ROCK SHOW

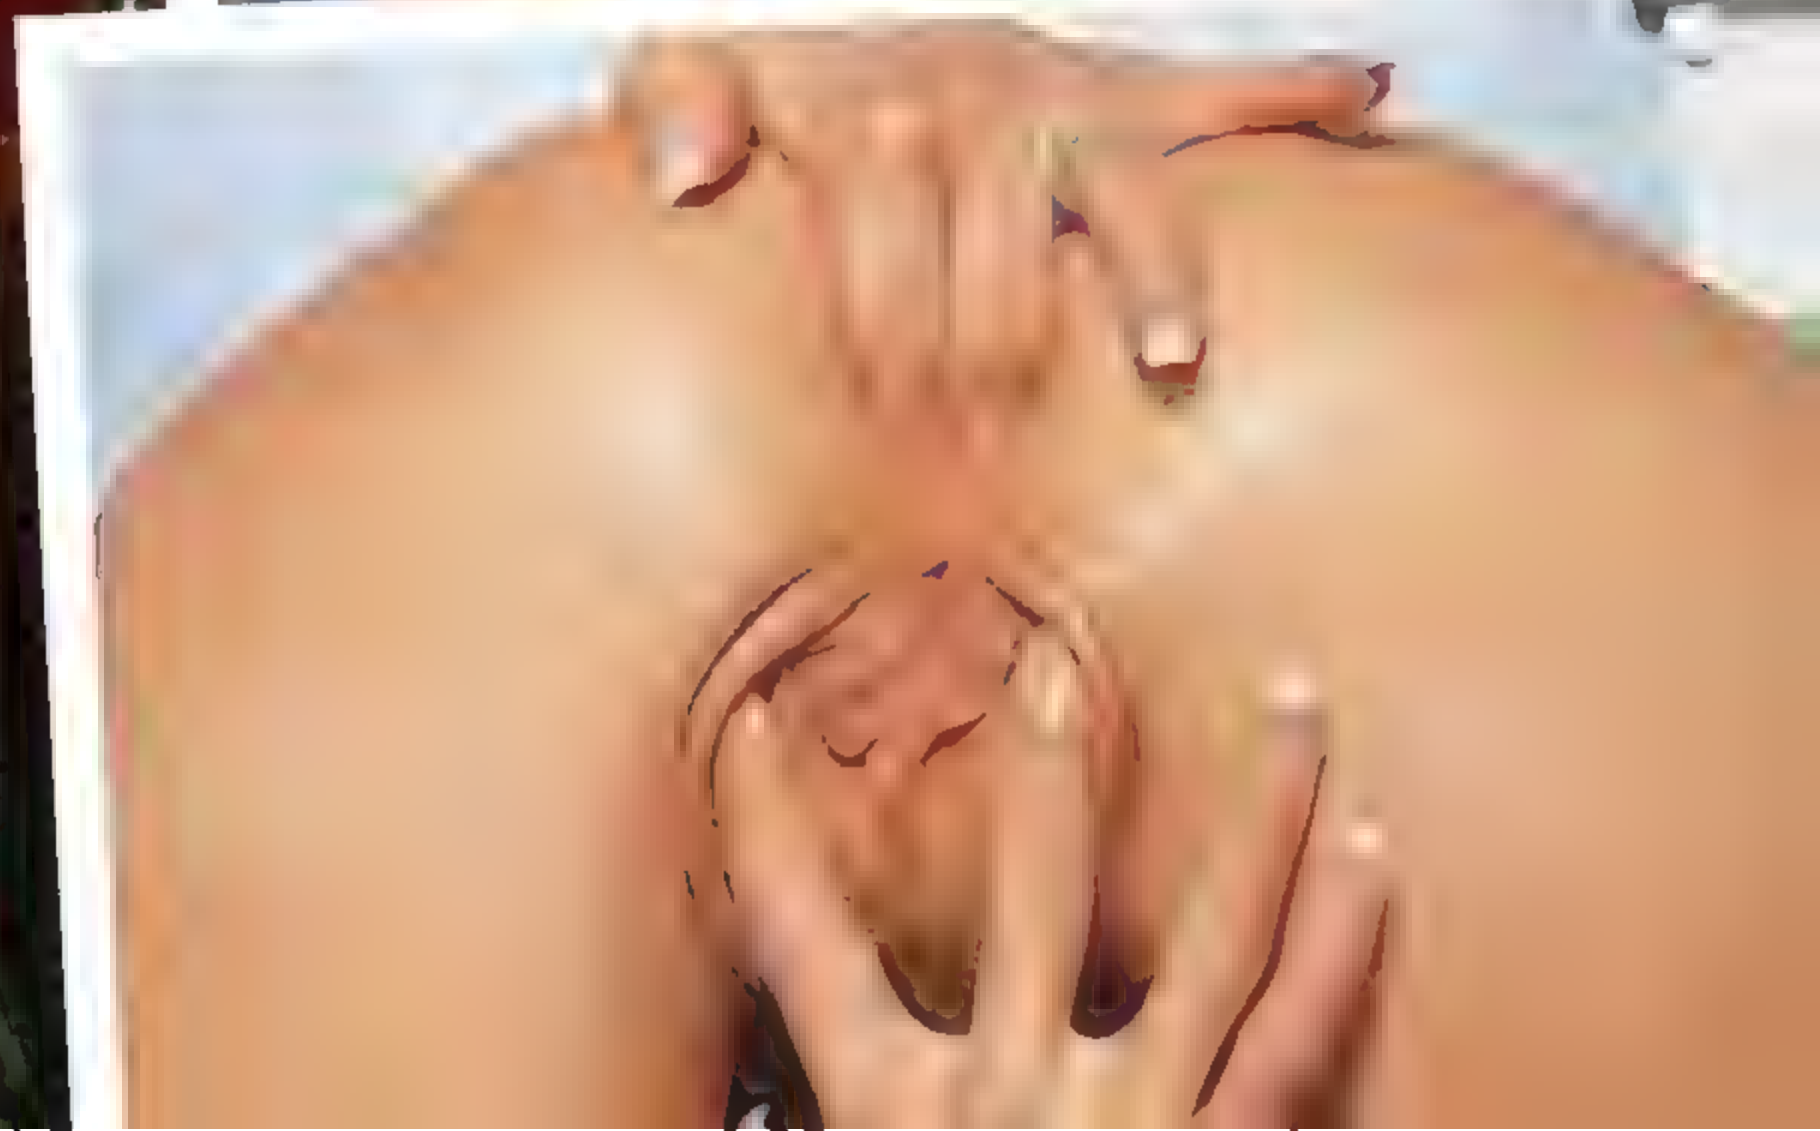

dripping and my muscled contracted at the thought of him putting it inside me. "I want you to fuck me" I whispered, barely able to say the words out loud. Bad words. Words that sounded as dangerous as I felt right then.

Jon lifted me up and held me against the wall, told me to wrap my legs around him then he lined his dick up against my hole. He kissed me deep, teeth at my neck, I felt his cock there against me, so close, and I begged him to put it inside. He pushed against me and it spread my opening wide. I cried out in surprise as it slid into me a little ways at a time. "Oh yeah, that's so tight," Jon said, his voice a low moan. I felt too small to take him but with every inch he slid in I felt myself stretch to take him in further, I was dizzy with excitement and when he hit the very lot of me I moaned in deepest pleasure.

"You like that baby?" Jon asked as he rocked slowly in and out of me. All I could do was nod, uttering positive noises, it was like I'd lost my speech, all I could do was feel. I felt so full of his cock. I squeezed my legs tighter around his waist as a huge orgasm gathered momentum in my pussy and racked my body with shivers. I cried, "Oh, oh!" I kept repeating myself louder and louder until it crashed through me and I was released.

I guess that was too much for Jon too, the way my tight pussy clenched around him when I came off like that. He pulled me off him and I stood before him as he whacked off all over my chest. White gloop came rushing out and sprayed me all over, later I even found some in my hair! So anyway, that was my first time and now we're dating. Jon keeps talking about all this other stuff we're gonna do that's way too dirty for me to tell you! ●

Lezbo? Bi?
Straight? Looks like
these girls can't
quite make up their
mind, but James
doesn't seem to
mind!

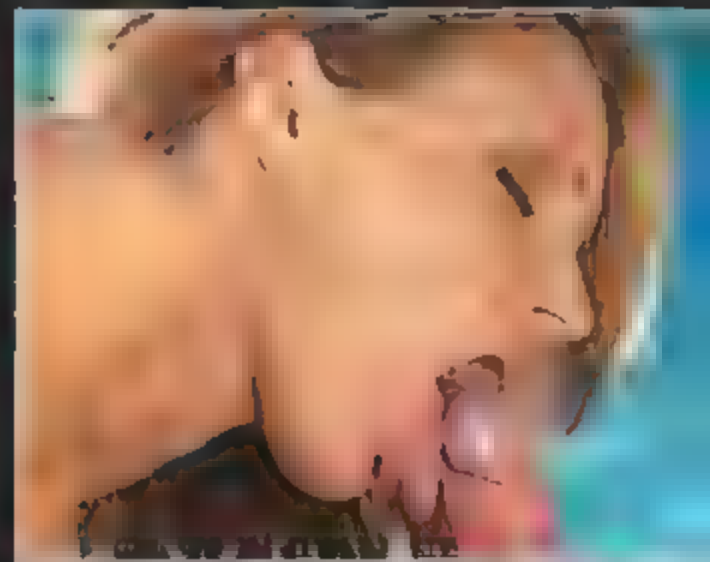

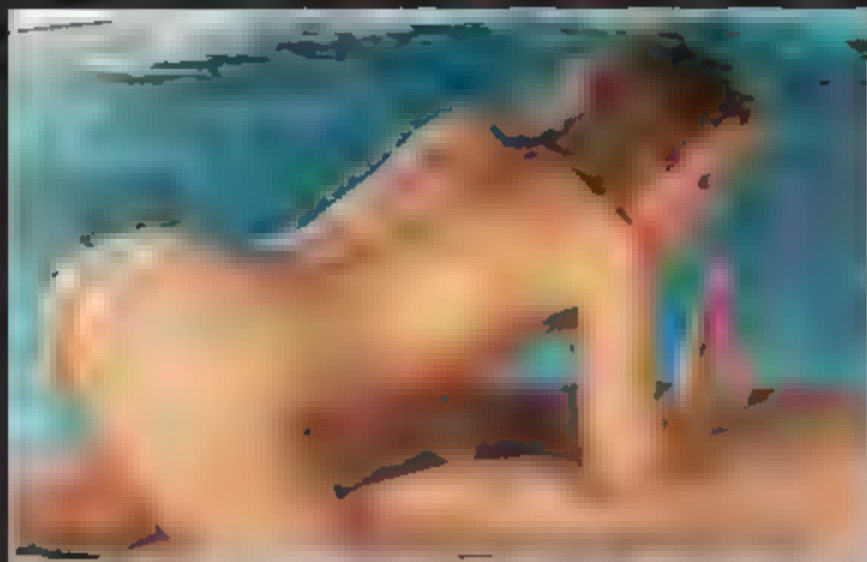

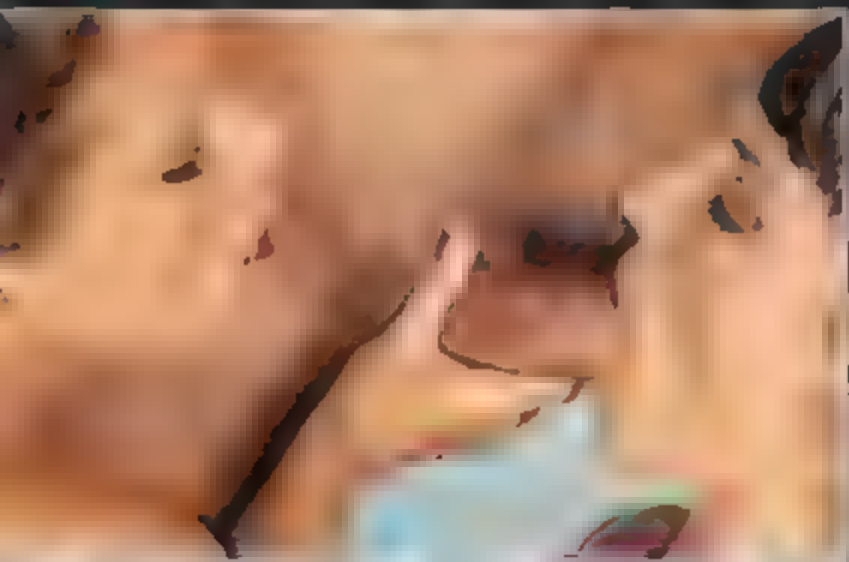

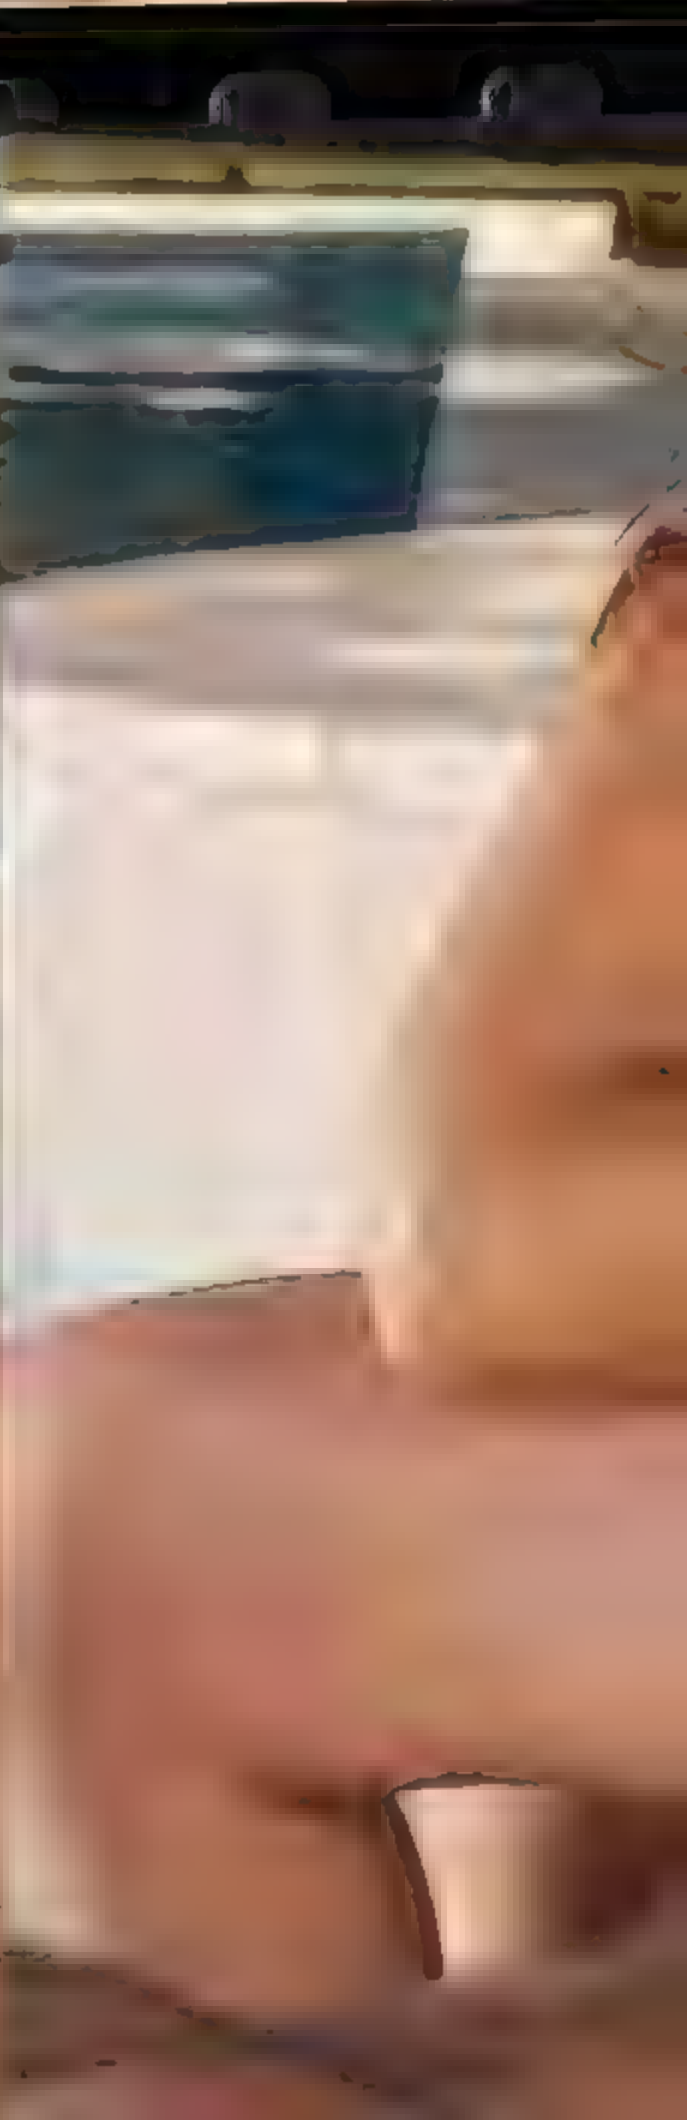

So, how come everyone has to be either gay or straight? That is so lame! Half the girls I know are totally bi and there's no way they want to fuck only girls or only guys for the rest of their lives. Same with me, but I like to do it with both at the same time! See, having a guy's dick up my pussy while some girl is eating me out is the awesome-est! And it rocks when I cum, what with my pussy filled up plus my clit exploding all over the place. And chicks give the best head. They always know just where my sweet spot is and how to lick my pussy till I cream. Yum!

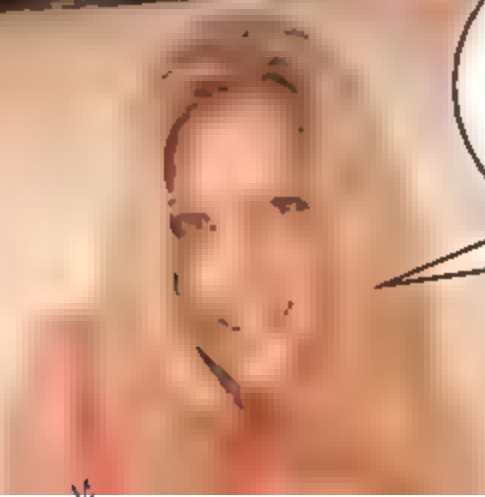

Yeah, I
can definitely under-
stand why some horny
girls want to keep their
options open! Hey, the
more the merrier!

This is one smart teen entrepreneur, and since all men are horndogs, I'm thinking she'll make about a gazillion bucks!

I know you're gonna think I'm just a 'ho but I totally want to get a webcam and do sex stuff for guys on the Internet. See, my friend's friend does it and she gets, like, a hundred dollars every time she goes online. All she has to do is play with her tits and stick stuff up her pussy and her butt. Hey, I know how to do that! I'd just have to diddle myself 'till I got all juicy and then cum for the camera, right? I masturbate all the time, anyway, and it would be so hot to know that guys were watching! I bet they'd pay big bucks to see me do myself, don't you?

LIS &

The first time Frank stuck his finger up my butt I almost smacked him, I mean, gross! But then he kept wiggling his finger in and out while he was diddling my clit and it made me crazy horny! So when he asked, pretty please, if he could stick his dick up there I said okay, even though it was so fat I figured no way would it work. But he put all this greasy stuff on my hole and went really slow and, hey, it fit! I was kind of freaked out 'cause it was so tight, but after he'd been boning me in the butt for about two minutes I came hard, just 'cause it felt so awesome!

TEENAGE SQUIRT QUEENS

STARRING: Trinity, Angela Stone, Brooklyn, Cytharea, Kat, Chris Charming, Mark Davis, Tony Tedeschi, Lee Stone, and Jonny Zin
DIRECTED BY: Barry Wood
AVAILABLE FROM: Sex Pictures
RUNNING TIME: 113 minutes

Don't you just adore young babes who squirt? In spite of their youth and supposed innocence, these little tramps know the score. They're constantly horny, always available, and Sex Z Pictures has gathered five of them for their latest release. Sure, there are no storylines for any of the scenes, and most of the boyfriends are pushing middle age, but with all those pretty, pink pussies ejaculating female cream everywhere, who cares!

Ultra cute, pig-tailed, Tnnity, starts the ball rolling with a steamy, foul-mouthed striptease/masturbation intro before going down on Chris Charming's ramrod. After he eats and sticks four fingers up her oozing slice, Mr. C. swings the wiry pixie around for a feversh frog-squat reverse that eases into an anal assault which makes Tnnity squirt two times in a row, and culminates in Chris dumping his ball gravy on her moist labes.

Nubile newcomer, Angela Stone, takes on Mark Davis in the second set. This willowy, small-breasted, blonde is one hot piece of tail! Not only does she

manage to jettison six loads of girl sauce—aiming one directly into Mark's open maw—she also gulps his gene jelly at the end. Angela is a fast rising star on the tripe X horizon, and her dazzling performance in this clip should increase her fan base tenfold.

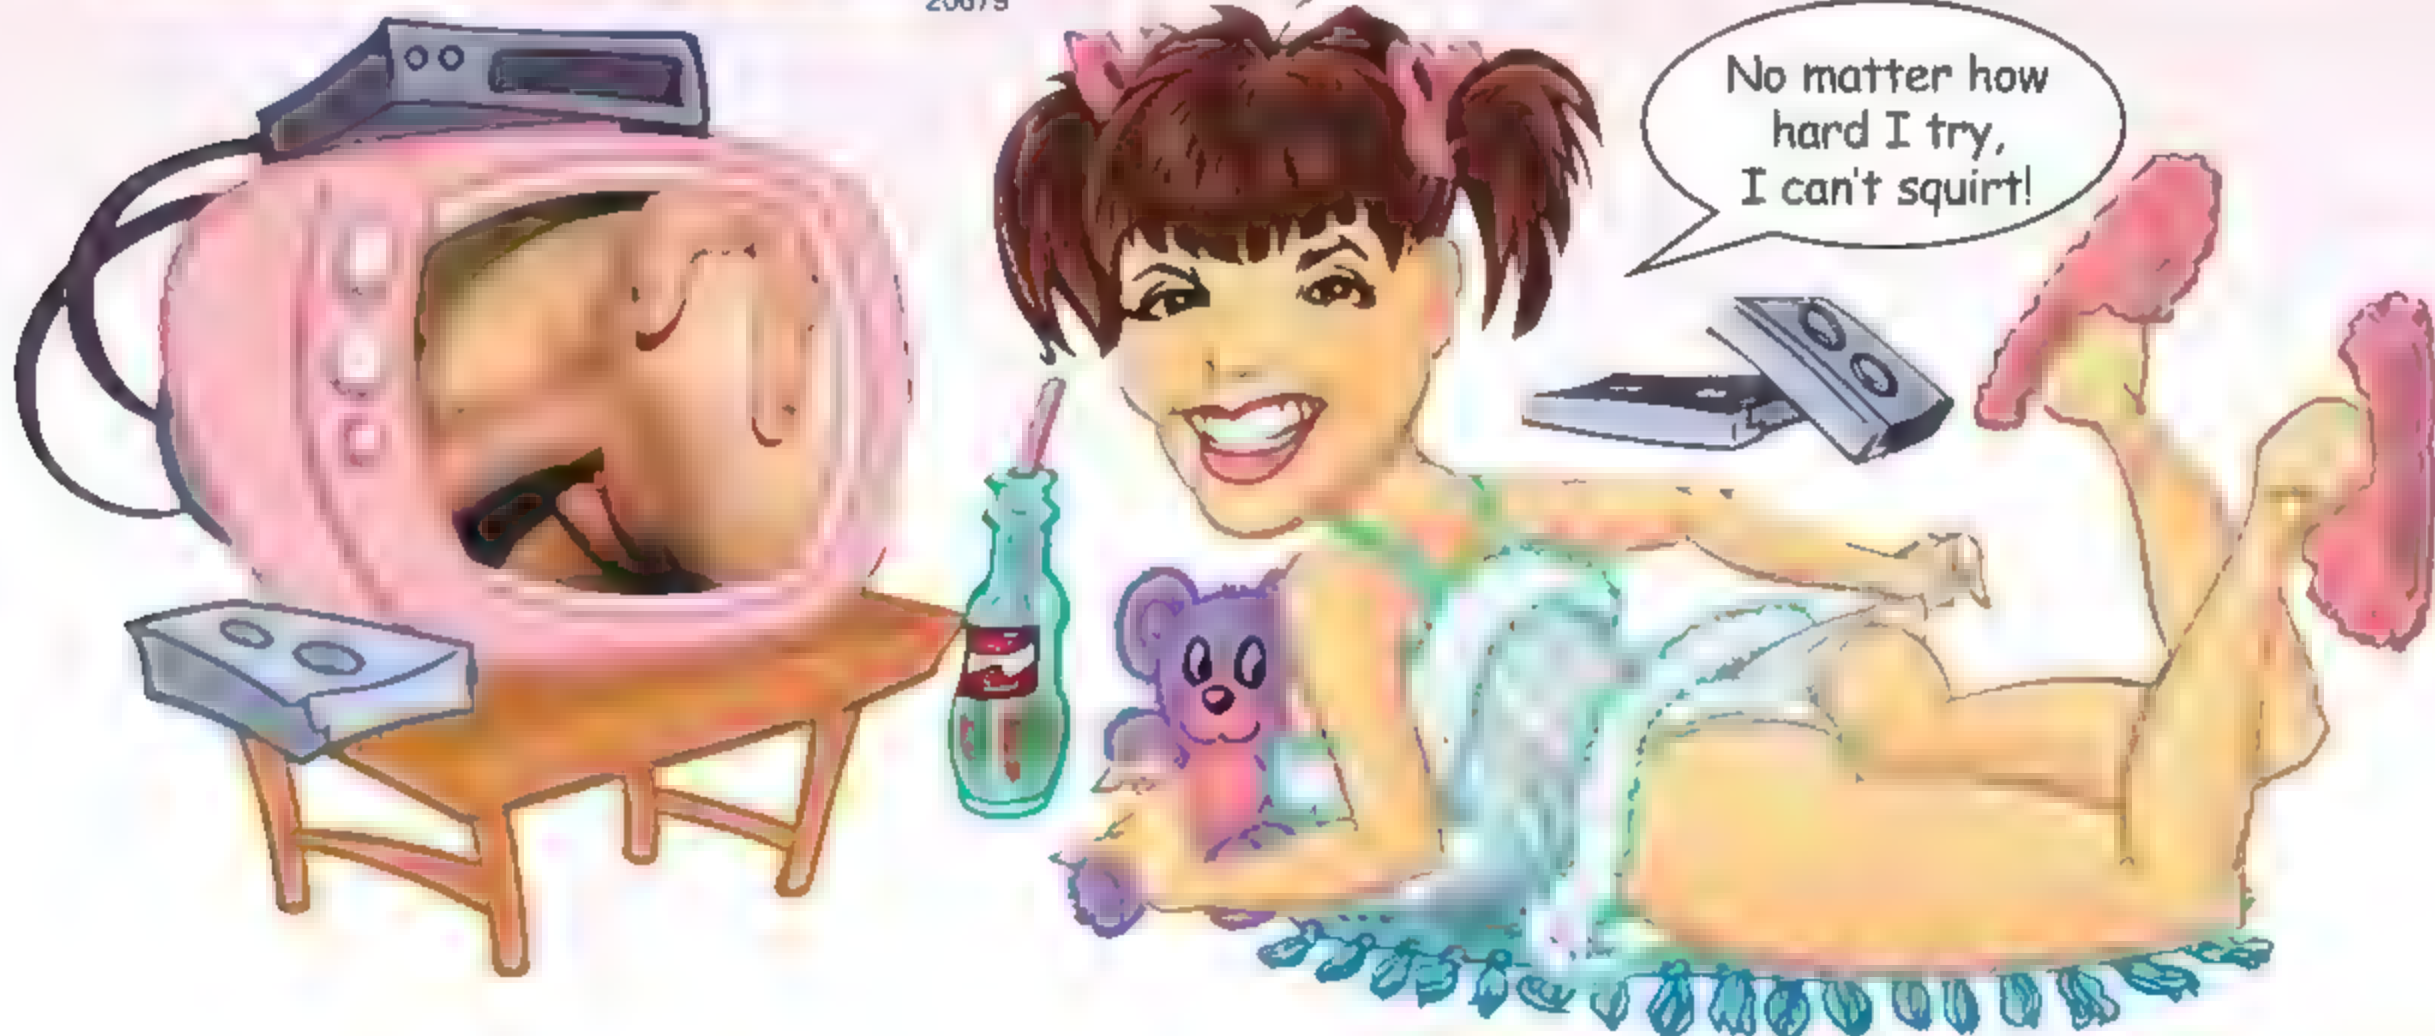

Brooklyn, a sexy, tattooed, brunette, is next. She grows impatient waiting for Tony Tedeschi and decides to poke a vibe up her twat. Once the T man arrives, however, she goes after his cock like a sex-starved slut. Brooklyn siphons him down her gullet, top rides him, gets it doggy style, and spritzes twice prior to receiving a bountiful scum facial.

Veteran super-soaker Cytharea begins her clip doing a pole dance on roller skates. When Lee Stone jumps in on the action, she swallows his mighty schlong, hops into his massive arms for a stand-up cowgirl, and gets a wicked bow-wow pounding that triggers five expulsions of cam sauce by the time Lee unloads his puppy nut pudding.

If anybody besides Cytharea could bring home the bacon, it's pint-sized powerhouse, Kat. Her finale with Jonny Zin—which includes a messy, sloppy BJ, cunt ramming from four different angles, and a sperm exposure that clogs her braces—is a nasty, tripe spurt-ing conclusion to this raunchy gonzo ep.c. Trust me, Teenage Squirt Queens is one DVD you'll definitely want in your porn library. —Lauren

POV FANTASY 2

STARRING: Dani Woodward, Eva Angelina, Jackie Ashe, Penny Flame, Roxy Jezel

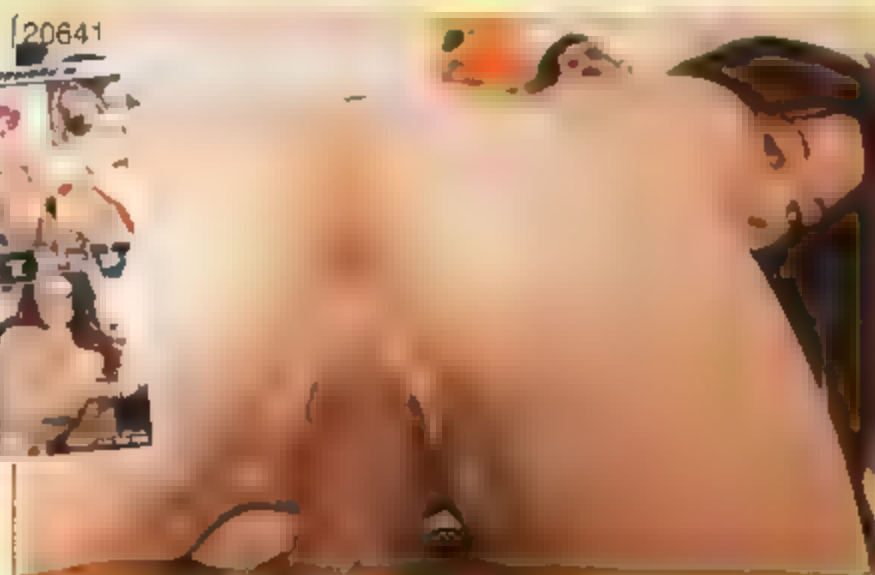

DIRECTED BY: Brother Love

AVAILABLE FROM: Digital Sin

RUNNING TIME: 120 Minutes

Brother Love is one sick bastard, and boy do we love it! Your nuts will never feel the same after watching this POV masterpiece. From the first scene with foul-mouthed Roxy Jezel to the final scene with virgin-whore Jackie Ashe, this one is plain awesome.

Dani Woodward can come over and fuck me any day of the week. She does things with her mouth and pussy that will have you showering your fist with a hot sticky load in seconds. There's no time wasted as Dani pulls off her

clothes and hoovers his knob like a vacuum cleaner. Dani loves fucking and it shows as she's put through a bunch of positions. After Dani has a body-quaking orgasm she begs him to stop so she can recover for a few seconds. Dani actually thanks him for fucking her. That's something I've never seen in a porno flick, then he cums into her mouth.

Penny Flame is emerging as an amazing new performer. I've liked her for a while, but couldn't get a lot of movies with her. That's not the case anymore. Get on this bandwagon now. She's ultra hot with a perfect body and the heart of a craven cock lover. Penny wears a pink wig the entire scene and she does a number on Brother Love's pa-bag throughout the scene. Check out her extras on the DVD. It's a cringe-worthy delight!

A lot of POV's get dull midway through the action. Not so the case here. The combo of changing positions, lots of interaction and some nut busting surprises kept this movie nice and tight and definitely enjoyable. Looking forward to more from this director and his particular fetish. Grab a cup and get off with POV Fantasy! —Coleen ●●●●●

Our intern this month is sweet as a big lollipop! But she likes to stick more than suckers up that pussy!

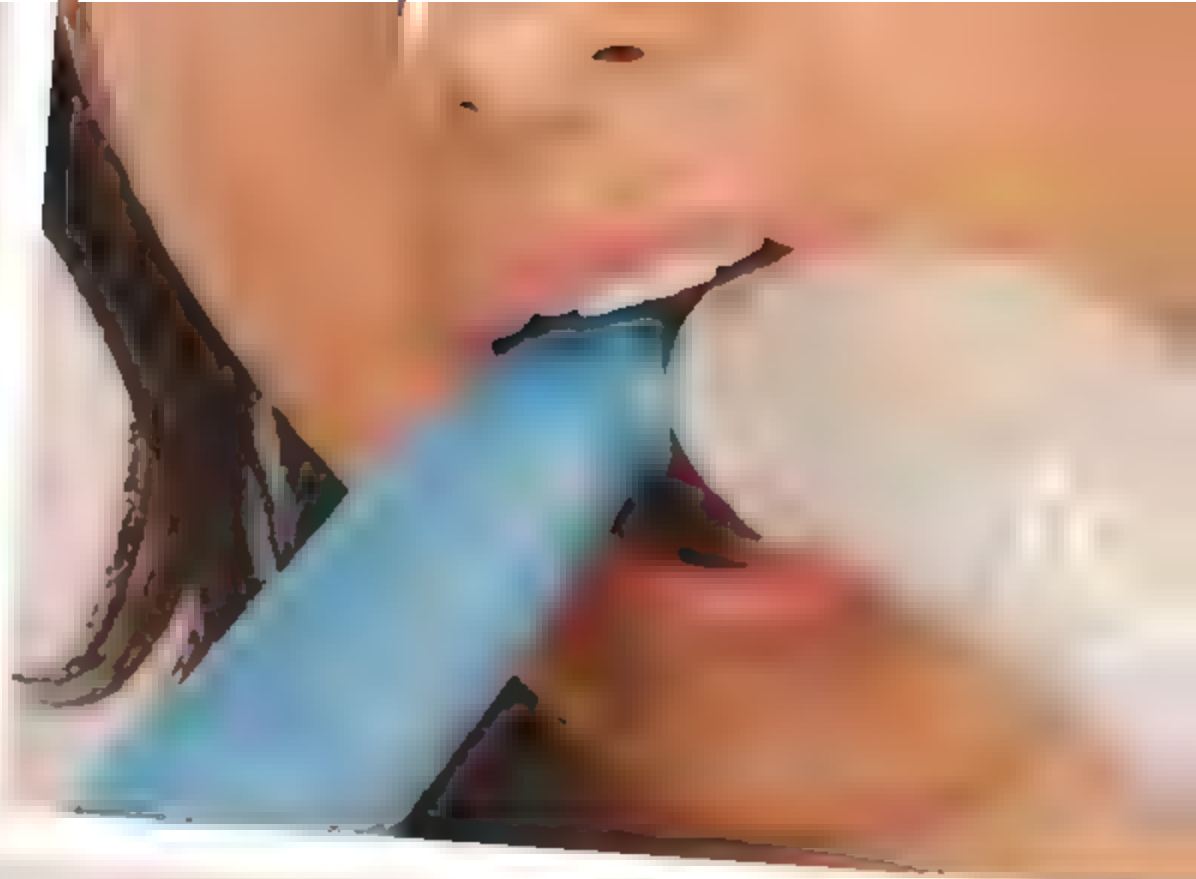

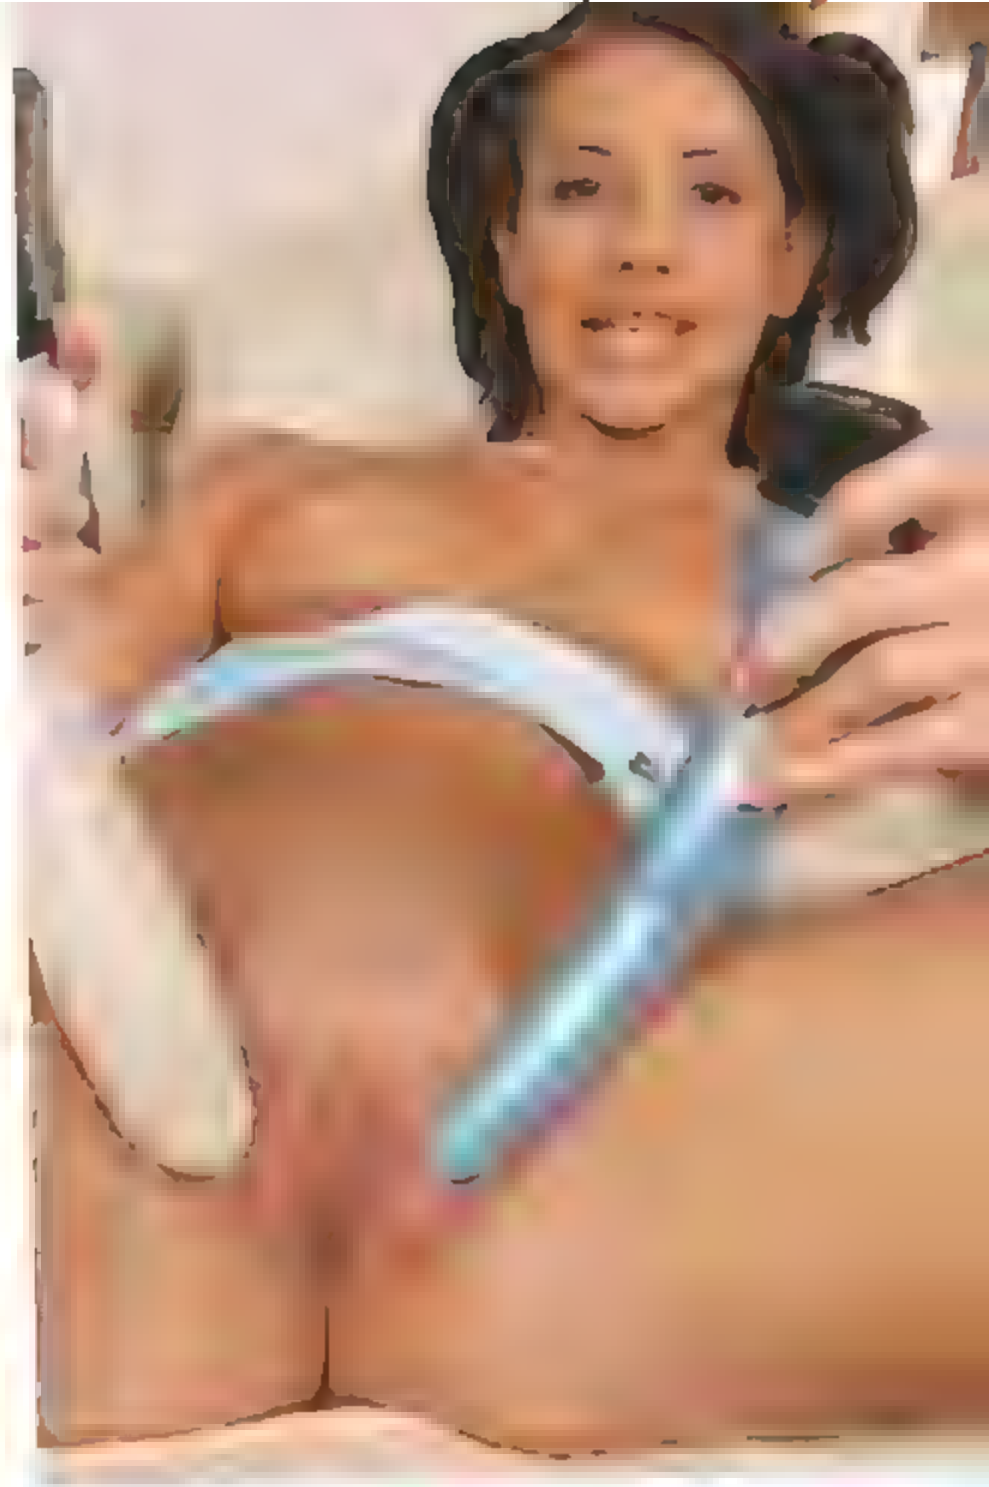

**Intern Of
The Month**

I know you won't believe this, but until I interned for Just18 I'd never used a sex toy. Pretty pathetic, huh? I didn't even know the difference between a vibe and a dildo. But it's easy; see, vibes buzz and dildos go up your pussy, and some vibrating dildos do both, whoohoo! I learned all about 'em when I did this shoot. Like, I found out that if I put one on my clit my pussy gets all wet and then I can get another one up my tight snatch. When I do that, look out; I cum, like in two seconds! And the best part is I keep on cumming for, like, ever, it's way better than my fingers!

So our
intern Lolli
learned how to
edit, write *and*
use a dildo. I bet
she'll never
forget this
lesson!

Tiffany hasn't gone very far, but if her boyfriend keeps up the good work, maybe he'll get to third base!

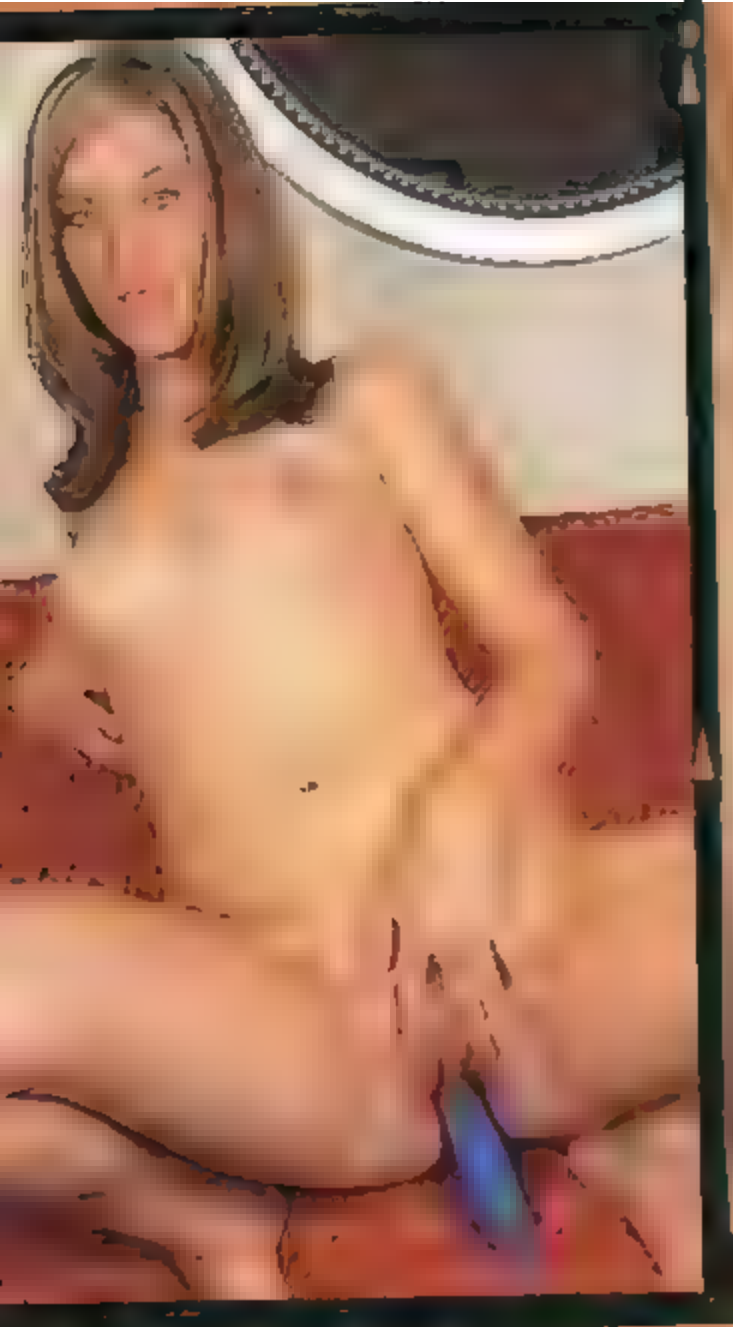

Hy boyfriend says my boobs are awesome. he says they're so ripe they're about to pop! Isn't that sweet? So I let him play with 'em and suck on 'em all the time and when he does that my nips get all fat and stick out like those little sausages at my mom's parties! Then his dick gets hard and swollen so I know he really gets off on it. But I haven't let him get in my panties yet, even though he totally wants to. He's always asking if my pussy is as pretty as my boobies. But you know, if he keeps being so sweet I think I just might let him find out after Prom!

I'm sure
Tiff's boy

sees that her
pussy is just as
succulent as
her titties!
